INDEPENDENT AUDITOR'S REVIEW REPORT

To the members of KOHINOOR INDUSTRIES LIMITED Report on review of Interim Financial Statements

Introduction

We have reviewed the accompanying condensed interim statement of financial position of **KOHINOOR INDUSTRIES LIMITED** [the Company] as at December 31, 2019 and the related condensed interim statement of profit or loss, condensed interim statement of comprehensive income, condensed interim statement of cash flows, condensed interim statement of changes in equity and notes to the condensed interim financial statements for the six-month period then ended (here-in-after referred to as the "interim financial statements"). Management is responsible for the preparation and presentation of these interim financial statements in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these interim financial statements based on our review. The figures for the three-month period ended December 31, 2019 of the condensed interim statement of profit or loss, condensed interim statement of comprehensive income have not been reviewed as we are required to review only cumulative figures for the six-month period ended on that date.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information performed by the Independent Auditor of the Entity." A review of interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim financial statements are not prepared, in all material respects, in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting.

Emphasis of Matter

We draw attention to note 2.2 to these interim financial statements which indicate that the Company has accumulated losses of Rs. 673.423 million as at the reporting date. Its current liabilities exceed its current assets by Rs. 348.895 million. These factors indicate existence of material uncertainty that raise doubts about the Company's ability to continue as a going concern and that the Company may not be able to discharge its liabilities and realize its assets in the normal course of business. These interim financial statements has, however, been prepared on going concern basis for reasons explained in note 2.2. Our conclusion is not qualified in respect of this matter.

KOHINOOR INDUSTRIES LIMITED

NOTES TO THE CONDENSED INTERIM FINANCIAL STATEMENTS (UN-AUDITED) FOR THE SIX MONTH PERIOD ENDED DECEMBER 31, 2019

1 LEGAL STATUS AND OPERATIONS

Kohinoor Industries Limited [the Company] was incorporated in Pakistan as a Public Limited Company under the repealed Companies Ordinance, 1984 (now Companies Act, 2017) and is listed on Pakistan Stock Exchange Limited. The registered office of the Company is situated at 17-Aziz Avenue, Canal Bank, Gulberg-V, Lahore. The Company was initially engaged in manufacture and sale of yarn, with the manufacturing facility located at Madina Town, Near Government Girls College, Faisalabad.

Board of Directors of the Company in its meeting held on April 30, 2008 decided to close down the business as due to increase in prices of raw material and other inputs without increase in yarn sales prices in the local and international market, the operations of the textile unit had become uneconomical and huge losses were expected to arise if the business was carried on.

Subsequently, the Company amended its memorandum of association to include in its objects, leasing out of its buildings under operating lease arrangements, as and when considered fit.

2 BASIS OF PREPARATION

The interim financial statements are un-audited and has been presented in condensed form and do not include all the information as is required to be provided in a full set of annual financial statements. These interim financial statements should be read in conjunction with the audited financial statements of the Company for the year ended June 30, 2019.

This interim financial statements have been subjected to limited scope review by the auditors of the company, as required by the Companies Act, 2017 under section 237. The comparative condensed interim statement of financial position as at June 30, 2019 and the related notes to the interim financial statements are based on audited financial statements. The comparative condensed interim statement of profit or loss, condensed interim statement of comprehensive income, condensed interim statement of cash flows, condensed interim statement of changes in equity and related notes to the condensed interim financial statements for the six month period ended December 31, 2018 are based on unaudited, reviewed interim financial statements. The condensed interim statement of profit or loss and condensed interim statement of comprehensive income for the three months period ended December 31, 2019 and December 31, 2018 are neither audited nor reviewed.

2.1 Statement of compliance

These interim financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting. The accounting and reporting standards as applicable in Pakistan for interim financial reporting comprises of:

- International Accounting Standard 34 - Interim Financial Reporting, issued by International Accounting Standards Board [IASB] as notified under the Companies Act, 2017; and
- Provisions of and directives issued under the Companies Act, 2017

Where the provisions of and directives issued under the Companies Act, 2017 differ with the requirements of IAS 34, the provisions of and directives issued under the Companies Act, 2017 have been followed.

2.2 Appropriateness of the going concern assumption

As at December 31, 2019, the Company has accumulated losses of Rs. 673.423 million. Its current liabilities exceed its current assets by Rs. 348.895 million. These factors indicate existence of material uncertainty that raise doubts about the Company's ability to continue as a going concern and that the Company may not be able to discharge its liabilities and realize its assets in the normal course of business. However, these financial statements have been prepared on going concern basis based on the following:

- (a) The Company is renting out its land and building under operating lease arrangements with a history of profitable operations for the past five year.
- (b) The Company has financial support of its directors in the form of interest free loans.

The management is confident the Company will continue to be profitable, subject to impact, if any, of uncontrollable circumstances.

2.3 Basis of measurement

These interim financial statements have been prepared under the historical cost convention except for certain financial instruments at fair value, certain financial liabilities at amortized cost and employees retirement benefits at present value. In these financial statements, except for the amounts reflected in the statement of cash flows, all transactions have been accounted for on accrual basis.

KOHINOOR INDUSTRIES LIMITED

NOTES TO THE CONDENSED INTERIM FINANCIAL STATEMENTS (UN-AUDITED) FOR THE SIX MONTH PERIOD ENDED DECEMBER 31, 2019

2.4 Judgments, estimates and assumptions

The preparation of interim financial statements requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. The estimates and associated assumptions and judgements are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the result of which forms the basis of making judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised and in any future periods affected.

2.5 Functional currency

These interim financial statements are prepared in Pak Rupees which is the Company's functional currency.

2.6 Date of authorisation for issue

These interim financial statements have been approved by the Board of Directors of the Company and authorized for issue on February 28, 2020.

3 NEW AND REVISED STANDARDS, INTERPRETATIONS AND AMENDMENTS EFFECTIVE DURING THE PERIOD.

The following new and revised standards, interpretations and amendments are effective in the current period but are either not relevant to the Company or their application does not have any material impact on the interim financial statements of the Company other than presentation and disclosures.

3.1 IFRS 16 - Leases (2016)

IFRS 16 - Leases (2016) specifies how an IFRS reporter will recognize, measure, present and disclose leases. The standard provides a single lessee accounting model, requiring lessees to recognize assets and liabilities for all leases unless the lease term is 12 months or less or the underlying asset has a low value. Lessors continue to classify leases as operating or finance, with IFRS 16's approach to lessor accounting substantially unchanged from its predecessor, IAS 17.

3.2 IFRIC 23 - Uncertainty over Income Tax Treatments

The interpretation addresses the determination of taxable profit (tax loss), tax bases, unused tax losses, unused tax credits and tax rates, when there is uncertainty over income tax treatments under IAS 12. It specifically considers:

- Whether tax treatments should be considered collectively
- Assumptions for taxation authorities' examinations
- The determination of taxable profit (tax loss), tax bases, unused tax losses, unused tax credits and tax rates
- The effect of changes in facts and circumstances

3.3 Applying IFRS 9 - Financial Instruments with IFRS 4 - Insurance Contracts (Amendments to IFRS 4 - Insurance Contracts)

IFRS 4 Insurance Contracts have been amended to provide two options for entities that issue insurance contracts within the scope of IFRS 4:

- an option that permits entities to reclassify, from profit or loss to other comprehensive income, some of the income or expenses arising from designated financial assets; this is the so-called overlay approach;
- an optional temporary exemption from applying IFRS 9 for entities whose predominant activity is issuing contracts within the scope of IFRS 4; this is the so-called deferral approach

The application of both approaches is optional and an entity is permitted to stop applying them before the new insurance contracts standard is applied.

3.4 Prepayment Features with Negative Compensation (Amendments to IFRS 9 - Financial Instruments)

IFRS 9 - Financial Instruments have been amended regarding termination rights in order to allow measurement at amortized cost (or, depending on the business model, at fair value through other comprehensive income) even in the case of negative compensation payments.

3.5 Long-term Interests in Associates and Joint Ventures (Amendments to IAS 28 - Investments in Associates and Joint Ventures)

IAS 28 - Investments in Associates and Joint Ventures have been amended to clarify that an entity applies IFRS 9 Financial Instruments to long-term interests in an associate or joint venture that form part of the net investment in the associate or joint venture but to which the equity method is not applied.

3.6 Annual Improvements to IFRS Standards 2015 – 2017 Cycle

The annual improvements have made amendments to the following standards:

- **IFRS 3 - Business Combinations and IFRS 11 - Joint Arrangements** - The amendments to IFRS 3 clarify that when an entity obtains control of a business that is a joint operation, it remeasures previously held interests in that business. The amendments to IFRS 11 clarify that when an entity obtains joint control of a business that is a joint operation, the entity does not remeasure previously held interests in that business.
- **IAS 12 - Income Taxes** - The amendments clarify that the requirements in the former paragraph 52B (to recognize the income tax consequences of dividends where the transactions or events that generated distributable profits are recognized) apply to all income tax consequences of dividends by moving the paragraph away from paragraph 52A that only deals with situations where there are different tax rates for distributed and undistributed profits.
- **IAS 23 - Borrowing Costs** - The amendments clarify that if any specific borrowing remains outstanding after the related asset is ready for its intended use or sale, that borrowing becomes part of the funds that an entity borrows generally when calculating the capitalization rate on general borrowings.

3.7 Plan Amendment, Curtailment or Settlement (Amendments to IAS 19 - Employee Benefits)

The amendments in Plan Amendment, Curtailment or Settlement (Amendments to IAS 19) are:

- If a plan amendment, curtailment or settlement occurs, it is now mandatory that the current service cost and the net interest for the period after the remeasurement are determined using the assumptions used for the remeasurement.
- In addition, amendments have been included to clarify the effect of a plan amendment, curtailment or settlement on the requirements regarding the asset ceiling.

4 NEW AND REVISED STANDARDS, INTERPRETATIONS AND AMENDMENTS NOT YET EFFECTIVE.

| | Effective date (annual periods beginning on or after) |
|--|---|
| IFRS 17 - Insurance contracts (2017) | January 01, 2021 |

Other than afore-mentioned standards, interpretations and amendments, IASB has also issued the following standards which have not been notified by the Securities and Exchange Commission of Pakistan [‘SECP’]:

IFRS 1 - First Time Adoption of International Financial Reporting Standards
IFRS 14 - Regulatory Deferral Accounts
IFRS 17 - Insurance contracts (2017)

The Company intends to adopt these new and revised standards, interpretations and amendments on their effective dates, subject to, where required, notification by Securities and Exchange Commission of Pakistan under section 225 of the Companies Act, 2017 regarding their adoption. The management anticipates that the adoption of the above standards, amendments and interpretations in future periods, will have no material impact on the Company's financial statements other than in presentation/disclosures.

13 FAIR VALUE MEASUREMENTS

The Company measures some of its financial assets at fair value at the end of each reporting period. Fair value measurements are classified using a fair value hierarchy that reflects the significance of the inputs used in making the measurements and has the following levels.

Level 1 Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices).

Level 3 Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs).

The fair value hierarchy of assets measured at fair value and the information about how the fair values of these financial instruments are determined are as follows:

13.1 Financial Instruments

There are no recurring or non-recurring fair value measurements as at the reporting date. The management considers the carrying amount of all the financial instruments to approximate their fair values.

13.2 Assets and liabilities other than financial instruments.

13.2.1 Recurring fair value measurements

For recurring fair value measurements, the fair value hierarchy and information about how the fair values are determined is as follows:

| | Level 1 | Level 2 | Level 3 | December 31, 2019 Rupees (Un-Audited) | June 30, 2019 Rupees (Audited) |
|------------------------------------|---------|-------------|---------|---|--------------------------------------|
| Investment property - Land | - | 704,450,000 | - | 704,450,000 | 704,450,000 |
| Investment property - Buildings | - | 104,922,245 | - | 104,922,245 | 104,922,245 |

For fair value measurements categorised into Level 2 and Level 3 the following information is relevant:

| | Valuation technique | Significant inputs | Sensitivity |
|-----------|--|---|---|
| Land | Market comparable approach that reflects recent transaction prices for similar properties | Estimated purchase price, including non-refundable purchase taxes and other costs directly attributable to the acquisition. | A 5% increase in estimated purchase price, including non-refundable purchase taxes and other costs directly attributable to the acquisition would result in a significant increase in fair value of land by Rs. 35.22 million (June 30, 2019: Rs. 35.22 million). |
| Buildings | Cost approach that reflects the cost to the market participants to construct assets of comparable utility and age, adjusted for obsolescence and depreciation. There was no change in valuation technique during the year. | Estimated construction costs and other ancillary expenditure. | A 5% increase in estimated construction and other ancillary expenditure would results in a significant increase in fair value of buildings by Rs. 5.25 million (June 30, 2018: Rs. 5.25 million). |

14 EVENTS AFTER THE REPORTING PERIOD

There are no significant events after the reporting period that may require adjustment of and/or disclosure in these interim financial statements.

15 RECOVERABLE AMOUNTS AND IMPAIRMENT

As at the reporting date, recoverable amounts of all assets/cash generating units are equal to or exceed their carrying amounts, unless stated otherwise in these interim financial statements.

16 GENERAL

16.1 There are no other significant activities since June 30, 2019 affecting the interim financial statements.
